

PCCables.com Inc. certifies our lead free products delivered to customers are conformed to the RoHS requirements, in which six banned substances are not detected or are under the limitation. To identify a RoHS compliant product look for the RoHS Logo.

The Restriction of Hazardous Substances Directive (RoHS) 2002/95/EC was adopted in February 2003 by the European Union. This directive restricts the use of six hazardous materials in the manufacture of various types of electronic and electrical equipment. It is closely linked with the Waste Electrical and Electronic Equipment Directive (WEEE) 2002/96/EC which sets collection, recycling and recovery targets for electrical goods and is part of a legislative initiative to solve the problem of huge amounts of toxic e-waste.

| Banned Substances | Maximum concentrations |
